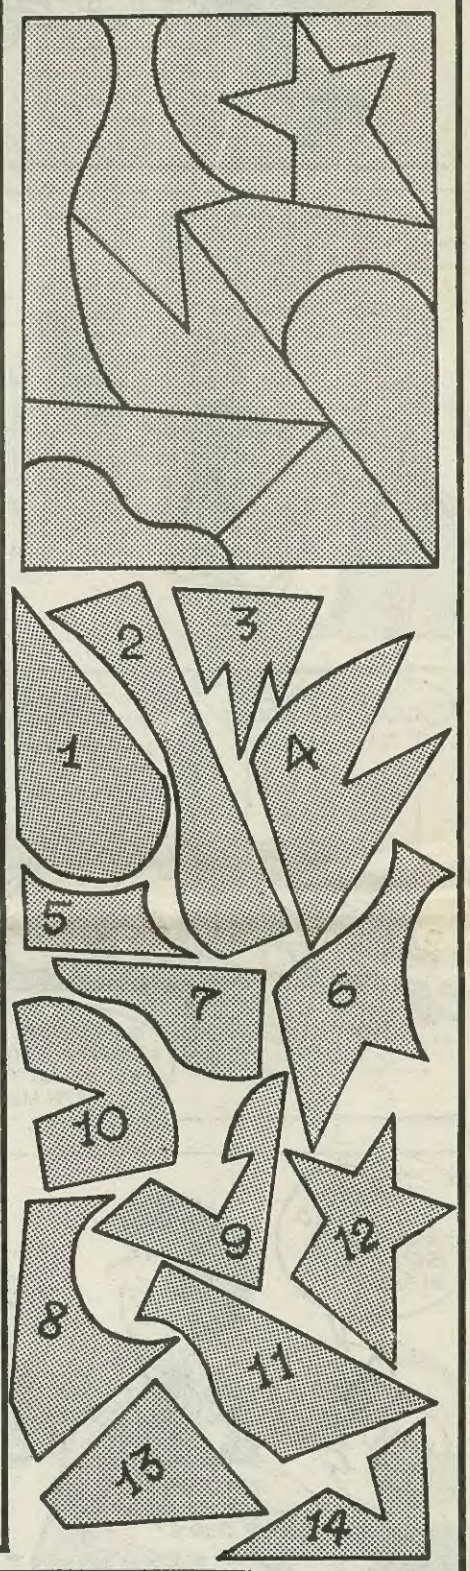
Puzzle corner 1

Here is another of our popular mosaics for your entertainment. Cut out the sections numbered 1 to 14. You will require 11 of these to make the mosaic shown above, so you will have three of the 14 sections left over when you've finished. Which three?



Puzzle corner 2

In the illustration on the right there are 21 animals, but there are only 18 in the illustration on the left. There are three missing. Which three? The animals on the left have, of course, been rearranged.

Answers

PUZZLE CORNER 1. Nos. 3, 5 and 9.

PUZZLE CORNER 2. The three missing animals are: the tortoise, the chameleon and the crab.

The non-sticky sticky stuff

In this year's Pritt Christmas Card Competition there are over 400 prizes to be won.

Thirty fabulous bikes, twenty-five super Cassette Recorders, fifty boys and girls watches, a hundred terrific L.P. tokens and two hundred 'flying' Frisbees must be won.

All you have to do to enter, is send us a Christmas card.

The only thing is, you must make it yourself. You can make it any size or shape, with as many cut-outs as you like. And you can decorate it with whatever you want: tinsel, wool, coloured paper, leaves, drawings, or pictures cut from magazines and comics.

There are two classes (under 11's and 11-14's), so everybody stands an equal chance.

But remember, the card has to be stuck together with a Pritt stick - the cleanest sticky stuff there is - and nothing else.

When you've finished, fill in the entry form and stick it to the back of your Christmas card. Then pop everything in an envelope, mark your age on the outside, and post it to us at the address below before 20 December 1976.

RULES

1. This competition is open to everyone aged 14 and under excluding only the families of employees of Henkel Chemicals Limited, associated companies, their agents and anybody connected in any way with the running of the competition.
2. All valid entries will be examined and prizes awarded to those entries which in the opinion of the judges show the most flair and imagination. (Age will be taken into account.)
3. No glue or adhesive other than Pritt may be used when making your Christmas card, otherwise your entry will be disqualified.
4. Entries must be posted before 20 December 1976. No responsibility can be accepted for entries delayed, lost or damaged in the post.
5. Winners will be notified by 31 January 1977 and prizes awarded as soon as possible after that date.
6. A list of competition winners will be available upon request. Send a stamped addressed envelope to Henkel Chemicals Ltd, Dept 'W' Pritt Christmas Card Competition, Road 5, Industrial Estate, Winsford, Cheshire CW7 3QY.
7. Instructions on how to enter are also rules and entry implies acceptance of them.
8. Entries become the property of Henkel Chemicals Limited.

* Illustrations shown are only artist's impressions of the actual prizes.
